Dear Sir:

This is a request for reconsideration of the decision on a petition to add Richard Bonnichsen as an inventor to the above captioned patent application. The deadline for submitting this request is September 18, 2008. Applicants filed a petition requesting that Richard Bonnichsen be added as an inventor to the above-referenced patent application. The petition was accompanied by a statement under 37 CFR 1.48(a) from Mr. Bonnichsen, a declaration, and a processing fee as set forth in 37 CFR 1.17(i).

The petition was denied since Applicants had not provided the written consent of the assignee to the change in inventorship, and the petition was dismissed without prejudice.

Applicants submit herewith, pursuant to 37 CFR 1.497(d)(3), the consent of the assignee Ace ApS to the change in inventorship.

In view of this submission, all requirements under 37 CFR 1.497 are now satisfied. Reconsideration of the decision and grant of this petition is respectfully requested.

Conclusion

All formal requirements under 37 CFR 1.497 have now been fulfilled. Grant of the petition to correct inventorship is respectfully requested.

Dated:

Respectfully submitted,

By
